

# BIKE2SCHOOL 2024 LAUNCH

*Empowering Students in Dodoma with 150 Bicycles*

9th August 2024

## Introduction

On August 9, 2024, we celebrated a significant milestone in our Bike2School program with a heartfelt launch event at Mpunguzi Secondary School in Dodoma. This event marked our second major launch for the year, following our successful kickoff in Kilimanjaro in May, where we distributed 300 bicycles.

## Event Highlights:

- Bicycle Distribution
- Key Announcements
- Community Impact

## Event Details

The Dodoma event was a wonderful opportunity to connect with our key stakeholders, including students, teachers, parents, and local and regional government leaders.

Our goal was to not only distribute 150 bicycles to students across five schools—Mpunguzi, Mtemi Chiloloma, Chihanga, Chibeleda, and Mbalawala Secondary Schools—but also to reaffirm our commitment to supporting education through improved transportation.

## Acknowledgments

We extend our deepest gratitude to the students, teachers, parents, and local government officials who have been instrumental in the success of this program. Your support and involvement are vital to our mission.
